## **KS2 Singing Festival – Level 1**

### **Ecclesfield School Friday 10<sup>th</sup> July 2020**

Sheffield Music Hub and Ecclesfield School would like to invite your school to participate in a Singing Festival to give your children the opportunity to perform high quality age appropriate songs as part of a choir of up to 250 young voices. This Level One Singing festival is for classes or year groups who are new to Singing Festivals. They are also perfect for teachers who are new to teaching singing.

Up to two classes of KS2 children will work with their class teacher and Sheffield Music Hub's Peter Taylor - an experienced children's singing leader. Your children will work towards the following objectives: Singing in tune and singing together; Learning songs off by heart; Learning how to make a beautiful sound.

Further details are as follows:

#### **In school sessions from a Sheffield Music Hub Singing Specialist**

You will receive two visits to your school from Peter Taylor. He will work with the class(es) who are learning the songs, and with their *class teachers* to help them feel confident and fully prepared for the final performance.

#### **A final massed choir rehearsal and performance at Ecclesfield School**

Your children will come together with up to 250 children from other primary schools to sing together for a morning at Ecclesfield School. Parents and Carers are invited to attend the performance to celebrate the fantastic achievements of the children.

#### **A CPD session for as many members of your staff as you like!**

A CPD twilight session will be held at Sheffield Music Hub's new dedicated learning space at Stadia Technology Park from 4-6pm on **Thursday 23<sup>rd</sup> April**. It is expected that the **class teachers** of the children who will be performing attend this session, and we also invite any other members of your school staff to join them: bring the whole team if you want

Supported using public funding by

**ARTS COUNCIL  
ENGLAND**

to! Attendees will learn the songs for the Festival, and be guided to develop their teaching practice with great techniques for teaching songs to children and working with young voices. This project will have the biggest impact on your school's music strategy if non-music specialists can access this CPD session.

### A song resource you can use with your whole school

The Singing Festival will use a selection of songs from Out of the Ark's high quality, tried and tested resources. All of the songs come with vocal and backing tracks, fully interactive whiteboard lyrics that allow you to skip between verses and choruses, lyric sheets you can print, and teaching tips to help you get the most out of the experience. And because you can send as many of your staff as you like to the CPD session, the *whole school* can benefit from this project.

### Cost to Schools

Singing Festivals are heavily subsidised by Sheffield Music Hub using money from the Arts Council England Music Education Hubs Grant. We ask each school to make a contribution of **£120** towards the Festival. This covers all of the elements outlined above (CPD, in school teaching sessions by Music Hub specialists, a high-quality reusable resource, and a performance opportunity with live band in a prestigious concert venue).

In addition to the £120 contribution, we will provide you with one concert ticket for each child taking part at a cost of £3 per ticket: This ticket is to allow friends and family to attend the performance, and you may choose to give or sell these to parents and carers at a price of your choosing.

#### Pricing example for 2 classes taking part:

Singing Festival fee: £120

60 tickets at £3 each: £180

Total cost: £300.

In this case, Sheffield Music Hub will charge your school £300, but you have the opportunity to recoup much or all of this by selling your 60 tickets to your families.

### Timetable

<b>Date:</b>	Thursday 23 <sup>rd</sup> April 2020
<b>Time:</b>	1600 - 1800
<b>Venue:</b>	Sheffield Music Hub, Block C, Stadia Technology Park, 60 Shirland Lane, Sheffield. S9 3SP.
