## Welcome to Youth Jazz Collective

Arrive from 6:00pm at this entrance and press the buzzer (There will be a Music Hub sign and sticker). Someone will let you into the building and show you where to go next!

Sherieds

Rehearsal will start at 6:15pm (feel free to turn up a little earlier) and Travis or Chris will get everyone started. Usually this will start with a listening activity or learning a new scale to use in improvisation.

We then start to play some music, practicing our latest pieces and also focusing on another aspect of jazz, improvisation. This means you'll learn what improvisation is and how to do it.

There isn't a formal breaktime,
but if at any point in the rehearsal
you need a drink or the toilet, feel
free to ask and a leader will tell
you where to go

We'll finish at 7:15pm and then
Travis or Chris will lead you back to
the entrance to get picked up!

Society

We look forward to seeing you again the following week!
