

# Welcome to Senior Orchestra Rehearsals!!

**Arrive from 7:15pm at this entrance (accessible from Granville Road). Go through the first two double doors and you will find someone to sign you in and show you down the corridor to the room where you can chat with others until the rehearsal starts!**

**Rehearsal will start at 7:25pm and John will set out what you're going to be doing for the hour. This starts with tuning at 7:30pm**

**John usually starts the rehearsal by workshopping a key element/theme of one of our pieces with a small debate about how to express the music best for the rest of the rehearsal**

**There's no official break in this rehearsal but if you need to go to the toilet or grab some water then feel free to.**

**We finish at 8:45pm and tidy up the hall. Then John or another staff member will lead us to the canteen door to get picked up!**  
**See you next week!**

**Good Bye!**

**Please bring a pencil and some water to all rehearsals**
