

Dear Parents and Carers.

I would like to welcome you and our new young guitarists to my list of new starters. I am looking forward to teaching your children this term and hope that they will enjoy themselves in music making and that they will progress well.

Part of progressing is practice, and to that end could I ask all parents/carers to ensure our young guitarist have an instrument for their first lesson. The Music Hub does not hire out guitars, very good starter instruments can be purchased for a very reasonable price which, in the long run, is better than continuous hire.

I do have a list of retailers who stock instruments at sensible prices, which range from excellent starter guitars up to higher priced instruments for more advanced players. The list also gives information about tuning and metronome apps, what type of strings we need and which book I use for my new guitarists.

PLEASE CONTACT ME FOR THIS INFORMATION. I will be more than happy to advise you on any instruments before purchase.

I look forward to hearing from you and know our young guitarists will have an excellent learning experience.

Yours sincerely,

Iain Teather

Music Leader.
